Dr. Soon-wuk Jeong is a professor of veterinary surgery at the Konkuk University College of Veterinary Medicine since 2000 and a Founder Diplomate of Korean College of Veterinary Surgeon (KCVS). He was a president of the Korean Society of Veterinary Surgery and a vice president of the Korean Society of Veterinary Clinics. He received his DVM in 1985 and MSc degree in 1987 from the Seoul National University, Korea and Dr.Med.Vet. degree in 1993 from the University of Veterinary Medicine Hannover, Germany. He completed his Postdoctoral Fellow from the National Veterinary Research and Quarantee Service. He is an associate editor of the Journal of Veterinary Science, a past editor-in-chief of the Journal of Veterinary Clinics, and a past director of Veterinary Medical Teaching Hospital of the Konkuk University. He won the Ministry for Food, Agriculture, Forestry and Fisheries's Award in 2007 and the KAHA/SUNBO Vet Healthcare Award in 2010. He is an author and a co-author on over 170 scientific publications and presentations.
